A Message from Thomas G. Speicher '72, Chair, Board of Trustees

I write this letter for the 2012 Keystone College Recognition of Donors with conflicting emotions. On one hand, I am thrilled to report that, thanks to your generosity and support, Keystone College is thriving in so many ways.

Our enrollment continues to grow as more and more students appreciate the uniqueness of this wonderful place. Of course, our campus is the most beautiful in the area. Major renovations to several buildings, including the Theatre in Brooks and Evans Hall/Fireplace Lounge in Hibbard Campus Center, make them more attractive and functional than ever.

While there are so many wonderful things happening at Keystone, I am saddened that the person most responsible for so many of them will soon be leaving as President of Keystone College. As many of you know, Keystone College President Edward G. Boehm, Jr., will step down as president on June 1, 2013 after 18 tremendous years, the longest presidential tenure in Keystone College history. At the request of the Board of Trustees, he will transition to the role of President Emeritus, continuing to serve Keystone on campus and in the community in many critical roles.

President Boehm and First Lady Regina Boehm will go down in history for helping Keystone become recognized as one of the greatest educational institutions in Northeastern Pennsylvania. Their energy and leadership have forever helped shape the future of Keystone College.

Of course, President Boehm is the first to say that Keystone's success is not due to any singular effort but through the combined efforts of many. Our donors have been especially important partners in Keystone's tremendous progress. Your contributions of time, treasure, and talent have been vital to our accomplishments in the past and will remain so in the coming years as we continue the legacy Ned and Regina have worked so hard to achieve.

As always, thank you for everything you do, and will continue to do, to support Keystone College.

Sincerely,

A handwritten signature in blue ink that reads "Thomas G. Speicher". The signature is written in a cursive, flowing style.

Thomas "Tim" Speicher

Lifetime Giving Over \$100,000

Keystone College gratefully acknowledges its donors at all levels of giving. Of course, the best reward you can receive for your contribution is the knowledge that you have made a difference in the lives of our students. Nonetheless, Keystone would like to take an opportunity to publicly recognize the following alumni, friends, foundations, and corporations for their extraordinary levels of giving, each with lifetime giving in excess of \$100,000. Thank you for including Keystone College in your generosity.
