In October 2024, an addendum was published to the 2024-2025 Undergraduate Catalog. The addendum includes a change in the College Fee section that states “The fee also includes a membership at Keystone Fitness for full-time students and part-time students enrolled in more than six credits.” The free membership for part-time students enrolled in more than six credits is discontinued effective for the 2024-2025 academic year and should be used in conjunction with the 2024-2025 Undergraduate Catalog. Any questions concerning the catalog addendum should be directed to the Registrar’s Office at registrar@keystone.edu.

College Fee: Allocation of fees is determined by the College administration to offset costs of operating expenses for student government and clubs, special student services such as trips and excursions, and the purchase of new equipment to improve the overall activities at the College. The \$1,250 fee per semester is used to provide students with enhanced services such as, but not limited to, telecommunications, computer network connectivity, personal e-mail address with web access, Moodlerooms, multimedia equipped classrooms, computer labs offering the latest software from Microsoft® and other vendors, campus-wide Internet access, and library references material access. The fee also includes a membership at Keystone Fitness for full-time students.

Students taking less than 6 credits are responsible for a \$125 fee per term, and students taking 6 or more but less than 12 credits are responsible for a \$200 fee per term. *Does not apply to KCV C students.*
